Regional Chair and CEO

Dear Friends:

On behalf of the Region of Durham, I extend our hearty congratulations to Epilepsy Durham Region as you celebrate your 30th anniversary in 2017. Over the past three decades, your devoted volunteers and staff have bridged the gap in care and support for individuals and families affected by epilepsy in our community. You have built an organization, services and partnerships in Durham Region of which you can be very proud.

We also celebrate your success in advocating and collaborating at the national and provincial levels for policy change, data collection, and care improvements. This important work has not only benefited Durham residents but people living with epilepsy across Canada.

Please accept our best wishes for continued success as you mark this significant milestone.

Yours truly,
