

PRIME MINISTER · PREMIER MINISTRE

I am pleased to extend my warmest greetings to everyone taking part in the 2014 Grand Canyon Epic Climb for Epilepsy in support of Epilepsy Durham Region (EDR) Lora's Legacy Fund.

Commonly associated with violent seizures, epilepsy is a neurological disorder that can affect anyone at anytime. Approximately 300,000 Canadians live with epilepsy. Since 1987, the members of Epilepsy Durham Region have been working to improve the quality of life for area residents who are coping with this condition.

As you embark upon this invigorating physical endeavour, I would like to commend you for your dedicated fundraising efforts. The many months you have invested in training and the numerous personal sacrifices you have made in preparation for this climb are inspiring. Your strength of will and commitment to helping others are sure to endure in the minds of your fellow citizens.

On behalf of the Government of Canada, I offer my best wishes for every success in reaching your fundraising objective.
