**Re: *International Epilepsy Awareness Month – March and
National Epilepsy Awareness Day on March 26, 2019***

Dear Ms. McKenzie:

Our office received correspondence with a request that the month of March be proclaimed *International Epilepsy Awareness Month* as well that March 26, 2019 be proclaimed *National Epilepsy Awareness Day*. I am pleased to advise that the request has been approved.

During the month of March, notice of *International Epilepsy Awareness Month* and *National Epilepsy Awareness Day* on March 26, 2019 will be included in the Proclamations Section of the Township website along with our Township page published weekly in our local newspapers. The Municipality will also encourage Township staff to wear purple on March 26th in efforts to demonstrate support for those with epilepsy as well as raising awareness of the disease.

Thank you for your request and the opportunity to highlight and build awareness in our community regarding epilepsy and Epilepsy Durham Region through this proclamation.

Therefore, I Mayor Bobbie Drew on behalf of the Township of Scugog Council do hereby proclaim the month of March 2019 as *International Epilepsy Awareness Month* and proclaim March 26, 2019 as *National Epilepsy Awareness Day* within the Township of Scugog.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. Drew', with a long horizontal flourish extending to the right.

Bobbie Drew,
Mayor
