Dear Board of Directors,

As the Canadian Epilepsy marks its 20th Anniversary this year, I would like to extend my sincere thanks to your agency for your ongoing support and involvement as part of the Canadian Epilepsy Alliance/ Alliance canadienne de l'épilepsie (CEA/ACE).

In the true spirit of the CEA/ACE, agencies from across Canada have contributed time and resources to make Canada a better place to live for persons with Epilepsy.

Your agency has been an active participant in many initiatives of the CEA/ACE. We've appreciated the important role your Executive Director, Dianne McKenzie, has filled in the past as English secretary. She has also served on many CEA/ACE committees over the years and still does so today. Your agency was also one of the first agencies to join the Purple Day for Epilepsy Campaign in 2008. The involvement of your agency has been a key factor along in helping us move forward with the mandate and long-term vision of the CEA/ACE.

Your ongoing support for CEA/ACE national initiatives over the years has truly made a difference to the lives of all Canadians living with epilepsy.

As we enter the next era our passion remains the same as we will continue to advocate and support all Canadians with epilepsy.

Warmest regards,

Deirdre Floyd, President

Canadian Epilepsy Alliance/ Alliance canadienne de L'épilepsie
