10TH *anniversary* EPIC GOLF CHALLENGE

BE PART OF SOMETHING *EPIC*

Imagine a life where each morning begins with an uncertain journey into the unknown and concern for your safety and well-being. This is the reality for those living with epilepsy, a condition that brings with it a constant companion of unpredictability and fear of the next seizure. Yet the challenges extend well beyond the seizures themselves.

A critical piece of the puzzle for living well with epilepsy is connecting with a support system that understands the nuances of living with seizures and the direct impacts that epilepsy has on one's life.

Epilepsy Durham Region (EDR) is dedicated to promoting optimal quality of life for individuals and families impacted by epilepsy. With an increased request for mental health supports, EDR understands the need to enhance and expand our mental health programming, especially for our youth population! The 9th annual Epic Golf Challenge marks the first year that this initiative will directly support mental health services for individuals and caregivers with epilepsy, including the adaptation of our program to meet the growing need of children aged 12-18.

HOW CAN YOU HELP?

The Epic Golf Challenge and its dedicated group of passionate, civic-minded community members has raised more the \$715K in it's 9 previous years, and we are looking to continue to grow with its success. By supporting the Epic Golf Challenge, you are investing in EDR's mental health programming to help build more resilient futures for people affected by epilepsy.

We would like to invite you to stand with our team of committed corporate citizens and continue our EPIC challenge.

10TH *anniversary* EPIC GOLF CHALLENGE
